

Our Objective:

To continuously improve and maintain the standards of pest control service in our province through ongoing searches for information on pest identification, control techniques and environmental concerns. Our training seminars, communications with government officials and our Web site www.spmabc.com provide an opportunity for members to stay informed and provide service in a safe, efficient and cost effective manner.

- Members must be Ministry of Environment certified and licensed.
- Members must carry liability insurance.
- Members must adhere to the association code of ethics.
- Members have access to training materials and informational seminars.
- Members must provide proof of insurance.
